Some of you came to the Members Meeting last Wednesday to meet our new attorney, Stuart Saft. Others of you read about his comments in Thursday's WIRE. You also read about Westview's unsuccessful attempt to block our choice of lawyer and path. Then, Sunday's New York Times Real Estate Section, gave us all the overview of what is happening on Roosevelt Island in the context of New York City's—Manhattan's-- real estate market. Lots of information! Lots to think about! Lots of feelings! Come talk to the IHTA Board as neighbors. We are all in this together.
